

The background of the entire page is a soft, abstract watercolor wash in various shades of teal and turquoise. The colors blend together, creating a sense of depth and movement, reminiscent of water or a misty landscape. The top edge of the watercolor is more defined, while the bottom fades into the white background.

a) VR Tours and renderings are artist's concepts. Many features and finishes shown represent standards included. Some upgraded features and finishes have been included demonstrating customizing options available.

b) Prices and specifications are subject to change without notice.

c) Floors and specific finishes will depend on Vendor's décor packages as selected. All material selections to be from the Vendor's standard selections.

d) The Purchaser acknowledges that variations (including variations in colour, texture and appearance) from the Vendor's samples may occur in finishing materials and features in the unit (including cabinetry in the kitchen and bathrooms as well as floor and wall finishes) due to the normal production process.

e) The Purchaser acknowledges that laminate flooring may react to normal fluctuating humidity levels producing gapping or cupping, both considered to be within acceptable industry standards.

f) The Vendor will not allow the Purchaser to do any work and/or supply any material to finish the dwelling before the Closing Date.

g) The Purchaser shall indemnify and save the Vendor, its servants and agents harmless from all action, causes of action, claims and demands for, upon or by reason of any damage, loss or injury to person or property of the Purchaser, or any of his friends, relatives, workmen, or agents who have entered on the real property or any part of the subdivision or which the real property forms a part whether with or without the authorization, express or implied, of the Vendor.

h) The Purchaser acknowledges that appliances, fitting & finishes contained in any model home/suite or sales office are for display purpose only and may not be of the same grade type, or may not necessarily be included in the dwelling unit purchased herein. Decorative and upgrade items are displayed in the vignette or model suite and are not part of the standard unit. Vignette and sales office are for display purposes only.

i) The Purchaser shall accept minor modifications to the plan which the developer, municipality or builder may require.

j) All plans, elevations and specifications are subject to modification from time to time by the Vendor or as may be required by the Ontario Building Code.

k) The Vendor shall have the right to substitute materials for those provided in this Schedule or otherwise represented to the Purchaser in any plans, specifications or other documents, provided that such materials are of quality equal to or better than the material provided for in the plan and specifications. The determination of whether or not substituted materials and products are of equal or better quality shall be made by the Vendor's architect.

l) All dimensions, if any, are approximate. Actual useable floor space may vary from any stated floor area (where stated).

m) Ceiling heights are approximate and measured from the finished concrete floor slab to the underside of the concrete slab above. In areas where bulkheads or localized drop ceilings are required, the ceiling height will be less than the specified 9'.

n) Floor areas are approximate but measured in accordance with Tarion Bulletin #22.

o) Where the term "or" is noted, this is at the Vendor's discretion.

p) Fixture and capped electrical box locations to be determined by the Vendor.

q) Note that Exclusive Use features refer to Common Elements in which the Purchaser has exclusive use access to, but does not form part of the condominium Unit itself.
